

C-FLAV

PRODUCT INFO SHEET

Description

C-Flav is a high potency antioxidant supplement.

Ingredients

Most Americans are exposed to environmental pollutions every day. These toxins can produce free radicals in our bodies. Free radicals are also produced by normal cellular functions in our bodies and can result in cellular damage. Antioxidants are nutrients that can neutralize free radicals and the damage they cause.

C-Flav contains a blend of vitamin C, a well known antioxidant, along with herbs that also have strong antioxidant properties such as Quercetin, rutin, and hibiscus flowers.
