

SUPER ALOE PRODUCT INFO SHEET

Description

A natural alternative to traditional practices for occasional constipation.

Ingredients

Cape Aloes: Cape Aloes (*Aloe ferox* Mill.) grow in the Cape Horn of South Africa. The leaf juice is dried into a dark brown to black crystalline powder, called aloes. Our Super Aloe 250 and 450 are formulated with the finest and most effective potencies for quick relief without the discomfort of synthetics. Regarded as one of the best on the market, our Super Aloe is a natural alternative for occasional constipation.
